Let's Catch Up!

What a great year we had! Our association has grown with every show, we also started new events this year!

Canada's Greatest Cowgirl went over so well, we are proud to show off the talent of all our association cowgirls! We are excited to announce that we will once again be putting on this event at our September show in Claresholm.

The Hackamore classic went off without a hitch this year! It was well received by all of our members. Congratulations to all who competed in this new event! The Extreme Cow Horse event underwent a name change to Canada's Greatest Stock Horse. As usual, this special event was exciting and had a great list of competitors.

As winter continues we wish everyone a great off season! We wish you all a Happy New Year!

Looking forward to seeing you all at our AGM and banquet!

We are so proud of the stallion auction and the success we've had with it! This year we have over 60 breeder donations, with a variety of pedigrees, colors, and disciplines.

The stallion auction will pay out \$101,000 over the next 4 years to open and non pro competitors!

We are excited to see this great fundraiser grow and continue to exceed our expectations! Thank you to all our great stallion donors for supporting the cow horse industry as well as our Association!
