

2025 Sponsorship Opportunities

ASHA

The Northern Alberta Reined Cow Horse Club was founded in 2010 when a group wanted to bring exposure of the sport to our geographic area. In 2024, the club rebranded and is now known as the **Alberta Stock Horse Association**. Our passion for growth is evident in the variety of shows, clinics and events held throughout the year. ASHA is a non-profit organization that relies on sponsorship to give reined cow horse hopefuls and enthusiasts the opportunity to compete, develop skills, and have fun by attending professionally run cow horse shows.

Recently, we have created youth programs that encourage participation in all levels of competition while maintaining an atmosphere where our young members can develop friendships and support each other.

2025 Events

2025 is shaping up to be another great year for the Alberta Stock Horse Association! ASHA will be again hosting our premier events: the Wildrose Derby in June, and the largest cow horse show in Canada, our Futurity, Hackamore Classic, and Year End Horse Show in October.

We have again partnered with, and will be hosting the Calgary Stampede Bridle Spectacular qualifiers, we are proud to be a part of it again this year.

We are also excited to once again host the Canada's Greatest Cowgirl competition in September which will be sure to entertain both competitors and spectators.

These events draw competitors from across Western Canada and are NRCHA sanctioned, which allow our members to qualify for the World Show in Fort Worth, Texas.

Contributions from our sponsors enable ASHA to host these events along with weekend shows, and informative clinics throughout the year to give our competitors the optimal cow horse experience.
