

Calgary Stampede Cow Horse Spectacular

The Calgary Stampede Cow Horse Spectacular is a qualified event. Competitors with the highest aggregate score from two of the four qualifier shows will be invited to the Calgary Stampede Cow Horse Spectacular.

A rider can go to any of the four qualifier shows, however only their top two show scores will be included in the aggregate and used to qualify. Highest scores will fill the rider limit in each class at the Calgary Stampede Cow Horse Spectacular.

Ties that occur in a class at the Ponoka Qualifiers will be decided on the competitor whose score is greater based on the Cow Work score of the tied competitors.

The four qualifying shows will be held in Ponoka May 16-18 and June 13-15. For more information on the qualifiers and for updated information, please visit the Calgary Stampede Cow Horse Spectacular website:
