

Camp Draft

Open to riders that are not going down the fence. Any legal NRCHA/ AQHA bit may be used with a minimum ½ leather chin strap on any aged horse with one or two hands on the reins. Horses shown one handed must be shown with romal reins in a closed fist, thumb up position which must be maintained throughout the duration of the run without switching to two hands. Chaps and chinks are optional. Exhibitors are allotted for 2 minutes and 15 seconds to complete the run. Time shall begin when the gate closes behind the cow, after being let into the arena. When 30 seconds are left, the announcer will announce 30 seconds remain. At 2 minutes 15 seconds the announcer will call time. Exhibitors are not required to use all the time allotted but must ride until the judge ends the run with a whistle or time expires, whichever occurs first. There are five parts to the work: boxing the cow, setting up the cow and driving/rating it down the fence to the opposite end of the arena, boxing it at the opposite end of the arena then driving/ rating the cow back down the fence until the middle marker, completing 2 circles one to the left and one to the right in whatever order.
